

New attractions at SeaWorld Parks

The world's first
Surf Coaster

Feel the power of the ocean in a whole new way on Pipeline: The Surf Coaster at SeaWorld. The surfboard-shaped ride vehicle will give you an immersive experience from the moment it starts. You will be secured on the roller coaster in a surfing position. Seats rise and fall to mimic the sensation of riding on a wave while sending you through several gnarly twists and turns.

Penguin Trek – opening Spring 2024 at SeaWorld

Prepare for an unforgettable family launch coaster through the breathtaking vastness of Antarctica. Race along through twists and turns, narrowly escaping the hazards of an icy cavern before reaching the ultimate discovery: a real penguin habitat!

The world's tallest and
fastest ride of its kind

Busch Gardens
SERENGETI
FLIER

Experience the pulse-pounding thrills of Serengeti Flyer at Busch Gardens. Let your feet dangle as you soar higher and faster with each swing while experiencing multiple negative-G moments before plunging back toward the Earth.

Phoenix Rising – opening Spring 2024 at Busch Gardens

There's nothing more exhilarating than a ride on the wings of the phoenix. Climb sky high and drop into twists, turns, and surprises set to a one-of-a-kind soundtrack (a first for our park's coasters). It's the perfect adventure for families to embark on together!

The perfect place to
cool off

Grab your best buddies and get ready to splish, splash, spray and play at Aquatica's all-new water adventure attraction filled with watering palms, tipping buckets, spraying jets, water bobbles, and more. Plus, kids can grab a tube and glide into fun on Tamariki Twirl, a kid-sized wave slide designed just for them!
